Our deepest sympathies to all the family. We will miss Papa George with all our heart now and forever. He made the best hog head cheese and deer sausage ever. All the food he cooked was great . He and Ms. Beverly were the most kind and generous people in the world any one could know. The good Lord will always embrace him with open arms as he enters Heaven. The Angels will rejoice as he comes into Heaven. He will be well taken care of there always. As a family you will never have to worry about Dad because my family will be there for him too. Love the Ferraro Family also. Never forgotten.

So deeply sorry for your loss. My prayers and thoughts are with you all at your time of sorrow. He and my dad were friends since they were very young was the best man at my daddy's wedding. Every time I'd see him he would make me smile. May he rest in God's loving arms and may your memories bring you peace.
