*Alan, one of Jerry's favorite past times at work! One time someone took him serious and was walking to the gate until a Tech person stopped them. That was a hilarious moment! One of his most famous sayings was, "I'm firing the whole crew and quit myself"! 🤣🤣🤣*

“ I’ve been knowing Jerry since I was a kid. As I grew older into my teenage years and old enough to enter one of the local watering holes(Bolo’s) in Laplace I got to know him even better. When I was hired at Shell Chemical Norco my first operating department to train in was C Unit. Jerry was one of the top operators there. Jerry taught me a lot about the operation and helped me when he could. As time marched on he became my shift foreman and later my supervisor. When I was promoted to staff we worked together in various department functions. All I can say is Jerry was one of my idols in my younger days and a man I looked up to at work. He was fun to be around too. I will miss seeing him at 4:30 Mass on Saturday’s at St Joan of Arc. I called him “Wine” most of the time. Probably a nickname he picked up somewhere along the way. So, RIP “Wine”. Thanks for all you taught me and the help you provided. Tell Miss Lois hello.
