“ I will forever miss one of my truly best friend in life. He was my Harley riding buddy and we always enjoyed the mountain trips to Tenn, and the Carolines. Glenn never knew a person he did not like or a person he wouldn't help. His belief in our Lord sustained his hope in all of mankind, even a broken soul as my self. Fly high, my brother. Someday we may ride together again.

“ It is with a sad heart that I hear about Glenn leaving us but with a happy heart having known Glenn for quite some time. He was a very special person in my life and will be missed by many who knew him. I can remember working with Glenn at DuPont as well as running into him several times while fishing in the Atchafalaya Spillway near Pierre Part, La. My sincere condolences go out to Glenn's family. Our Lord has a special place for you my friend.
