*Hi Lorraine, this is Phyllis Gayle Kimball Wright.
Thanks for accepting my Facebook friend request. It was so good to look at your pics of you, Buddy, Stephanie, and Mendi. Boy did it bring back a lot of great memories.*

I received a note from Philip yesterday telling me about Buddy. I am so sorry to hear this. I am heartbroken 💔. My thoughts and prayers are with you and your girls.

I would love to talk with you whenever you're up for conversation. I have thought of y'all often through the years. I got a little information from Kay and Philip.

*Where has all the time gone? Paula is now 55. Seems impossible.
I still love you my friend.*

God bless
