“ *Uncle John and John Richard,*

I am so sorry for your loss. I know this is very painful time and my heart breaks for you and your family. Just like Dad, Hazel put up a courageous fight against a horrible disease. I pray now she is at peace now and sitting on a cloud next to Daddy and the rest of the family we all lost too soon. I love you all very much....

God's blessings,

*John,
We are so sorry we could not be there during this time. But want you to know you are in our thoughts and prayers. We loved Hazel so much and always enjoyed spending time with both of you when you came to Longview. We will always remember her kind heart and charming sense of wit. Our thoughts are with her and know she is at peace and completely healed. May we all rejoice in that!*
