“ 43 years ago I moved to Laplace from Texas and met this kind wonderful man and he brought me into his family. The kids and his wonderful wife Sharon treated me like family. I remember how I always felt like they always loved and cared for me. Years later we decided to go and get fish on the bone in the (I called the Hippy van). Miss you and love you Henry Childress, you will always live in my heart. Sharon praying for your family and sending my love. We were out of town and didn't see this until now.

“ *Lavell*

I've known you all my life. You've always been there any time I needed you and Sharon.

You and Sharon are a very big part of our lives. I remember the last time I saw you. It was

At you house for barbecue ribs. You did a good job. I know you suffered so long in your illnesses, but you gave them all a good fight and made it for a very long time. I am sorry you had to suffer even more before you let go. Just know we will meet again. I love you
