“ *David and Sherry have been LIFE-LONG friends of our family here in Hammond. Maw's (David's Mother-in-law), Ms. Weber, was like his mother, and he cared for her well until she died. Today, it's time to take care of Sherry. She is not in the best of health and is like a sister to my sister and me. My Dad and Mom recently departed, got to know and work, lived in Reserve with Ms. Weber for a time, and we all became family. The love we shared through the years with such wonderful people will be greatly missed. I remember as a child, when Mr. Roy, Sherry's dad, would come home, he would come home every day with something in his top pocket and tell my sister and me to look and see what Papa Roy got you today. Ahhh, the memories we shared and the LOVE times when people were honest and caring. Sherry was the best floral designer ever to have a Florist in Reserve and so talented. Her home was filled with so much LOVE every Christmas, with almost every room decorated with LOVE. Gosh, I will miss David and Sherry. Still, I will be doing David's casket spray and flowers here at Hammond Florist, not these, as Sherry would say; garbage 1-800 number florist today that the funeral home recommends to you to send flowers, not your local florist. May you rest in peace, David, and we will do our best to care for Sherry; she deserves it more than any devoted wife I know....! Blessed they both were to have each other, and blessed we were to have them a part of our lives forever. Rest in Peace, David; your work here on earth is done.*
