“ *Dear maw maw I will always remember you baking cakes and giving me the crumbs from when you leveled the cakes. You worked really hard in life and now you can rest in the comfort of our savior Jesus Christ. I will miss you so much but will see you again one day in heaven. Love you maw maw- from George Jr.*

“ We were so sad to hear your mom is not with you here any longer. But oh how sweet it is for her to be with the Lord. She was always so accepting and gracious to us. I remember the fun that Johnnie and I had playing a game that had something to do with a penny when we flew back to a conference in New Orleans not too long before Katrina hit. She will always have a special place in our memories. We pray our Lord will bless you and keep you in His care and allow you to grieve well. We send our love to all.
