“ He had taught me how to drive, how to hunt and how to find your way through the woods. Im so happy my girls also got to have him in their life and go fishing with him during the summer. He is missed so much!

“ The world has lost a good man. Growing up I remember Uncle Jimmy as having a ready sense of humor, a contagious smile, and a mischievous streak. He worked hard, loved his family, and made every visit enjoyable. Sending prayers and love to the family... and as Aunt Margaret always did for my mom... I'll light a candle.
