“ *The years I spent working with you at Sears were some of the best in my life. You were a mother figure, a great co-star and even more an incredible woman to look up to. Even now I can hear your laugh. I'll see you...*

“ *Janice was an important part of the entire Hoover family. We were the other Hoover's on Bellevue Drive. Janice was a devoted wife, Mother, and friend. She will be missed.*

“ *Memaw as my children and I also called her was a second grandmother to my family. I met her through her son Micheal, his wife Leigh and their children. We were loved and treated with unending kindness. She took care of my sons during one of the hurricanes we had in this area and that along with just chatting with her when I would call to say hello will always remain in my heart. Like the family you have Memaw, the love you gave me and my family helped us to know we will always have an extended family. You were loved and will be missed.*

*May you Rest In Peace dear Janice.
You were so special to everyone. I love you so much.
You and Harry brought Thomas and me into your circle and continued to involve me even after Thomas passed in 2017.
Thank you for being my friend.
I just wish I had spent more time with you sweet lady.
I know you are one of God's ANGELS now and singing in that beautiful choir in Heaven.
God bless and may we meet again.
Much love and respect to a fine lady.

“ We met the year of one Janice's favorite and memorable parts as Bloody Mary in South Pacific, and my first St John play as El Gallo. Though we always seemed in opposite plays and not together on the stage, it allowed us to always be in the audience cheering each other on and see the joy in each others eyes for pure love of song and the stage. I was finally blessed to join Janice and Harry in the St. Joan of Arc choir. She was always my Friend and Sister of the lights and song. I will always love her and see her smile til we sing together again on the other side. My thoughts and prayers remain with her beautiful family and the true light in her life. She shined the brightest when sharing the stories of you!

She will never be farther away from me than remembering her Smile and hearing her song.

Goodnight dear Friend.
