“ *I'll miss you Jean! I loved playing games with you and having conversations about football and life whenever you visited Houston. You were always insightful, upbeat and fun to be around. I'm so glad to have known you.*

To all of her family and friends left behind, my deepest and most sincere condolences. Jean had a wonderful and long life, especially since she had all of you to share it with! Celebrate her life and be grateful that she is resting once again with Carl in a better place. My love and best wishes.

“ Oh, Tina, I am so sorry to here of you mom's passing. I will always remember her contagious laugh and the way she welcomed me into her home. It was the first American home I stayed at as a guest. The warmth with which I was received left a lasting memory.

“ I'm going to miss her a lot even tho we didn't see each other very often. We talked on the phone fairly often and retold stories about our childhood especily old dog bounce.

“ Deborah, Tina, and families, Jean lived a very long, happy life, and she was loved by all who met her. I know these last months have been so heartbreaking and difficult, but she's with Carl now - and other family, too - and has finally found peace, I'm sure. She was like a mother to me, and I'll miss her so much, as I know you all will, too. You're all in my thoughts and prayers, and I love you all.
