“ *Grandma, I love and miss you terribly and Happy Birthday! I wanted to call you today to wish you a special birthday but have come to realize I'm too late, as you have passed and are now in heaven. I've spent everyday for the last 20 years thinking about you and hoping to find you again so that we could connect, I regret it was not sooner. My heart is heavy with sadness and I will always love you and miss you as I have every day that has passed since we last spoke. I wish I had your special box of Italian recipes that I've never forgotten and have always bragged about you being the best cook in the world. I'm sending you all my love, hugs and prayers up to heaven. Denise M.*
