“ *Our sweet Jeff has gone on ahead of us. He will be so missed. I'm so grateful that God allowed us to be in the same family. I loved it when he would surprise me and turn up at some event that I didn't think he would be able to make--starting with my wedding some 40 something years ago. Jeff was the kind of cousin that anyone would be proud to claim. Miss you, Sweetie!!*

Lots of love to your beautiful family, Janice, Deana & Jeffrey.

“ *Janice, we watched our kids grow up together. So many years spent next door, knowing what good neighbors we had in you and Jeff. We were so saddened to find out about Jeff's passing. What a good man, good husband and father. Now he is enjoying his heavenly reward for a life of goodness and service. We send our love, condolences and prayers to you, Jeffery and Deana. God bless you.*

“ I am going to miss you so much. You were always my shoulder to cry on. We all had so many great times. You took BB under your wing when his life was so upside down. I don't know what I would have done many times without you and Janice. Life is going to be so empty without you. I feel comfort in know you will be our Guardian angel. RIP my dear friend. I will love and miss you so much.

“ Fondest memories were having fun, traveling and serving for years together as we progressed through the Divan. Wish I could be there Wednesday, but work commitments prevent that. Janice and family, please accept our apologies and deepest sympathies from Leigh and I.

“ I owe a huge gratitude to Brother Jeff, he was responsible for giving me my petition, instructing, raising and being my shoulder to lean on in Masonry. I had the pleasure of having fun with him and serving on the Divan together for several years. Jeff was a mentor of mine and I will miss him tremendously. RIP My Brother... Mike Buras
