“ So sorry for your loss. Miss Joan will be greatly missed. She always had a smile on her face and it's been several years since I seen her, but when we did see each other we would talk about when I was going to St. Peter with Richard and Melissa. A very loving and friendly lady that will be missed. Miss Joan received her golden wings to be with our Lord in heaven.

“Joan was a special person. She always had a ready smile, and she loved her family very much. We saw her last at Ashley’s college graduation several years ago. To all her family, we are very sorry for your loss. Love to you Melissa, Ashley, and the rest of Joan’s family.

“Melissa, Ricky and families - Jimmy and I offer our deepest sympathy on your loss. Our thoughts and prayers are with you at this time.

I can open my mother's photo albums and quickly find snapshots of Joan as a precious toddler playing on the front porch and the many photos of the two of us at our First Communion, Confirmations and Graduations. And I will always remember just how much she loved her precious Parrain. Rest in Peace, Joan

Melissa, I have not seen your mother for decades but have many memories of our friendship through St. Peter's and LGHS. Your grandfather Sidney was also a special person and close friend to me.
