“ Joanne was such a beautiful person inside and out. Seems like yesterday we were all in high school hanging out. I can still hear her spirited laughter that showed her spirit. You will be remembered always sweet lady. May you Rest In Peace. May God send comfort and peace to those you've left behind but at the same time allow your beautiful heart to continue to be present through them as well as the lives you've touched.

Joanne:

I will always remember your infectious laughter and spirit. There are a few classmates from high school that have kept places in my heart, and you were , and always will be one of them. High school needless to say, sent us on our own individual paths and even though keeping in touch was something we did few and far between, you have always been special. Rest in Peace beautiful lady, and my prayers will be with you and your family.

The best neighbor that MaLou and I could have asked for ! She will be sadly missed by both of us ! Every time we seen each other outside in the yard , she would walk over and talk to us for a few minutes ! Beautiful smile was always on her face ! Love and miss you already, Kevin & MaLou !!
