“ *I am so sorry to hear of John's passing. We met in the 70s when we worked at North Aurora Center, and remained friends for quite a few years. John had such a fun-loving nature! It's easy to smile when remembering those days, but, as others have said, the gentle person behind the lively voice has left the deepest impression and makes this news especially sad. I hoped that one of these days we could say "Hi" to one another again; now I regret missing that chance. My sincere condolences to John's family. Wishing you peace, John.*

“ *John was one of my best friends since childhood. I think his name is very appropriate because he excelled at being a good human being. I will miss him and he'll be a part of my memories forever. My deepest condolences to Chad and George. David Adams*

I am confident that John is enjoying storytelling with "Mooseheart Red Ramblers" that have preceded him.

“ I first met and became good friends with John at work in Aurora, Ill back in 1972. I moved out of my parents house the next year when I was about 20 years old and moved into John's apartment where he was sort of like an older brother to me and a friend. We remained roommates in Aurora and Carbondale, Ill for most of the next 5 years. John was one of my best friends back then and we had a lot of fun times and good memories together through 1985. I also had the pleasure of meeting John's brother George several times as well over the years. I got married in 1985 and I was fortunate enough to have John in my wedding party. I lost contact with him after that until a couple of years ago when I met up with Rick Martin, another really good friend of John's who has also written a tribute and he got me back in contact with John again. John and I talked a number of times since then about politics, sports, life and our kids. John spoke of his son Chad often and was very proud of him. John was an upstanding guy and a great friend who had a character that was bigger than life. One of the nicest persons I ever met. He would do just about anything for you if asked and he always had your back. I'm very saddened by the news of his death and I regret not making more of an effort to see him after we reconnected. It was a great pleasure to have known him and I'll miss him very much. My deepest condolences to George and Chad. Ed Parke

“ *John was one of my best friends for 47 or 48 years and I will miss him dearly. We had so many great times together decades ago(remember Madri Gras over the years John??) and I wouldn't have missed any of them for the world. Even though I haven't seen John for quite a while, I will miss the phone calls we shared so much every few months. Words can not express my sadness at this time but I know he is smiling down on all of us, especially his son Chad, who he loved dearly and always bragged about.*

Laissez le bon temps rouler!!! Till we meet again John.....
