“ *Daddy (Mr. John) was the most beautiful, charismatic, generous, funny, and loving person I have ever been given the privilege to have had in my life. His legacy will live on through all of us. I have and will always love and respect him. He is at peace with Tyler and that gives me great joy. The same thing I said at Tyler's funeral applies ... although Daddy is no longer with us physically, keep him alive by telling stories about him. We all know that we have many great stories to tell.*

“ *Johnny was one of my best friends. I lost a piece of myself when he passed. I will love and cherish his memory, forever. He is gone but never forgotten. I will love you until the day I die, Johnny.*

“ *So many great childhood memories with the Falgoust family. I have always referred to Johnny as "uncle Johnny" even though we weren't related. Always considered him and his family part of my family. Will always cherish those memories.*
