“ *There are so many memories where do I start every mile stone I have reached he was there. From my first steps to my first child. I am so blessed to have know pawpaw. The best grandfather a person could ask for. The type of person. Who would give you the shirt off of his back. There would be some days I'd just be so over welmed and I'd just lay In His bed and cry while he rubed my hair. He always knew just the right words to say to bring a smile back to my face. My mentor my inspiration My best friend the reason I am ther person I am today. What I will probably miss the most is being his assistant cookerer lol. We always shared many laughs playing around in the kitchen.*

“ Butsie, your Uncle Bill, cousin Isaac and I all loved spending time with you. Your heart and love were so great. Everyone who met you couldn't help but love you. You will be missed by many people in many ways.

I'm sure there was a great reunion in Heaven when you got there. Your Daddy, your Uncle Bill, your beloved wife and others , must have had a great welcome for you as you went to meet Jesus face to face.

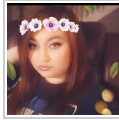

We love you nephew and look forward to seeing you on the other side when our time comes. 🙏❤️🙏

I didn't know you long. But you made a great impression on me. The love you had for your family and life. You had a heart of gold and a soul to match. My prayers are now with your loved ones here cause I know you are watching over them just as you did here. RIP .

Mr. Butzie Murray was a good man. Taught me how to eat and clean a crab when I couldnt have been any older than 6 or 7 years old. Always made the kids in the neighborhood feel welcomed at their home. Took everyone to Showbiz pizza. That may not seem like a big deal to most but to a kid that was from a single parent home at the time, it was a big deal. He and Cathy both fed and entertained, I imagine, alot of us. To Sabrina, Micheal, and the rest of their siblings...you are all in my thoughts and prayers! RIP Mr. Butzie
