“ *My Sunday school teacher as a teen ager at Hopper Rd PC --- WOW some time ago. Such a sweet man, as I say "A man with little words, but with power of little words!". He inspired so many of us! Love that he had the desire to teach us when we were at a decisive road in our lives. A true man of God that I thank from the bottom of my heart. He knew me as Elaine (my middle name) Young (my maiden name).*

“ *I first met the Diaz family at the Hopper Road Apostolic Pentecostal Church. He was always a very soft spoken man. I remember Bro Diaz playing the guitar at church and singing. Now he is singing with angels.*

“ Bro. Diaz, Dad Papa, You are known be many names but for me you were friend. One of the best story tellers I have ever met. I'm so glad I get to take your life stories with me and share them with my children and grandchild. You have given a beautiful heritage to all who have known you. Thank you for showing me real love is alive and well and true Christianity is a goal we can all attain.  
Missing you already,

“ There are no words to describe the impact this Good man has made in so many peoples lives. He was one of the greatest men I have ever known. He has been my Father-in-Law for 37 years, and I loved him deeply. I never heard him say an unkind word about anyone. He was slow to speak, always seemingly weighing his words. A man of wisdom ,integrity and the Patriarch to the Diaz family. His passing has left a crater in our lives and he will forever be missed. Bien hecho, mi bueno y leal siervo. I will see you again Papa!
