“ To my amazing Gran, I couldn't of been prouder to be your granddaughter. I will miss our phone calls and hearing you be so proud of my accomplishments through my life. I will never forget when I was young when I'd come over, you'd give me Kemps vanilla ice cream with Nilla wafers in it almost every time. I remember both of us sitting, playing the piano together while sometimes I'd get up and dance to you playing as you were so much better than I was. I will never forget the times we sat on the floor playing checkers and matching cards, to me serving you and paw tea with the tea set. I will always cherish every memory we've shared together and you will always hold a special place in my heart till the end of time. I love you and I'll miss you so much.

Love your Granddaughter,
Chloe.
