“ *I remember SJA and Julia very well and have awesome memories with everyone. But one memory that I will always keep close to my heart was one day when I was crying alone on a bench on the playground. So many people passed me but the one person to stop and comfort me back then was Julia. The kindness your daughter showed to us will forever be in our hearts.*

“ *Sweetest and most genuine little girl I've ever met. Loved life at every moment.
You were so kind and caring. Although this breaks everyones hearts to the fullest extent, God brought you home. You will be forever happy and at peace. And I hope to see you again one day.
Sweet angel will be watching over all of us. God bless <3*

Julia my special baby doll I miss you so much already. I have loved you so much even before you arrived and we found out Mommy was having a little girl Paw Paw and I were so happy. Your middle name Caroline is part of me and it is such an honor that we had you with us for 11 years, never enough time but I know you will be happy in heaven with Paw Paw and all your Maw Maws and cousins and pets. Tell Paw Paw I miss him and love him. I love you to the moon and back.
