Kathy & I worked together at Gems for years in a small office upstairs, we were so close there was nothing we didn't know about one another, I loved her so much, we had many fun times together! I will treasure all those beautiful memories we had together 💕🙏💕

Kathy was like a sister to me when I was first married. She was my neighbor and friend. I always considered her my family. We shared a lot of laughs and tears together. May She rest in peace free from pain.
