Keith Daniel DeFrisco, 49, passed away unexpectedly on November 2, 2022. Keith was born to Leroy and Myrna DeFrisco in Lutchter, LA. “ Not many people earn my respect, Keith was one of those very few, he was a GREAT father, that never had excuses on taking care of his kids, he took complete care of my sister and his kids, he worked very very hard to give them the best of everything. There is no amount of money or man that could ever replace him. I'm glad if his time here was done that he went happy and fearless...I will definitely miss his conversations and his wit. This is a loss none of us were ready for and our family will never be quite the same. Still my brother in law, Just a little higher in the sky.

“ I'm thinking of our younger days. His kindness and modesty and being along side him as we grew into men with families of our own. I'm thinking of his smile of quiet confidence and good feelings towards those who knew him. He was a quality person not common today. I learned life lessons in my early days just being around him and loved seeing him the few times I did now in our older years. Thank you brother for being part of my life. Won't forget you.
