“ Kenny and I were cousins. My family left Louisiana in 1959, so there was a block of time we didn't see each other except at family reunions. The last time I saw he and his family was when our grandmother died. He and Mary were sweethearts, we managed to all go out to eat and have a visit. I called him after Katrina to make sure they were ok and a couple of other times just to say "Hi!" He was a good husband, father, son, brother and cousin! He will be missed.

XO♥♥ Love and prayers for family. RIP Kenneth
