“ *Today I'm in Shock !!! I just found out Mr Webre passed. He was a awesome guy. He use to patrol the neighborhood. When he saw me outside or passing by he had such a friendly smile. This guy was always encouraging me to always treat others with respect and a firm hand shake. I didn't know what happened to him. I assumed he retired and was relaxing with family. To the family my prayers are with you. Your Angel is watching you with that Huge smile !!! Paul Green*

“ *I've known Ken only a short time. In that time , I could tell right off the back he loved Jesus. I told him once that when I grow up, I want to be just like him!*

God's great blessings to the Webre family. Ken is not just in our past, but in our future. I look forward to that reunion!

“ I have known the Webre family since 1983...grew up with his sons, even babysat his daughter. Mr Ken was the type of man I always wanted to grow up and marry. I use to watch how he interacted with Mrs Lydia, how he looked at her, how he was with his sons. He was so family-oriented and just a sweetheart! Mr Ken will be missed. Praying for the family.

“ It saddens me so much to learn of Mr. Ken's passing. He was one of my regular reserve deputies while at, St John Theatre. Kindhearted, compassionate, eager to help, and a pleasure to spend so much time with.

He loved the theatre, and never failed to speak of the talent of the River Parishes that always left him in awe. He spoke to children and adults in a manner that made you want to hear what he had to say. I'm so thankful to have known this kind gentleman and I offer prayers of peace to his family, as I have no doubt he is truly in heaven.
