

## Kerry James Miano

March 29, 1953 - August 1, 2020

Kerry James Miano passed away peacefully at his home on Saturday, August 1, 2020, at the age of 67.

Beloved husband of Margaret “Peggy” Rook Miano for 31 wonderful years. Loving father of Daniel J. Miano, Matthew R. Miano (Heather), and Scott A. Miano (Ashley). Grandfather of Luke J., future “baby” Miano, Callie and Connor Miano. Brother of Glenn Miano (Toni), Sandra Miano Dottolo, Jamie Miano, and Allison Miano Maurin (Mark). Also survived by several Nieces and Nephews. The family offers their heartfelt appreciation to the staff of Notre Dame Hospice for their loving care.

Born and raised in Reserve, LA, Kerry transferred to Lawrenceville, GA where he worked as an IT Specialist for the National Credit Union Association. Upon retiring after 34 years, he moved home to Reserve to be near his family and friends. Kerry was an avid traveler, he enjoyed visiting new places with old friends. Key West was certainly his favorite place to relax and enjoy a brew. Kerry’s loving “hobby” however, was simply spending time with best buddy and dear grandson, Luke James.

Relatives and friends are invited to attend the Memorial Visitation at St. Peter Catholic Church, 1550 Hwy 44, Reserve on Friday, August 7, 2020 from 9:00 a.m. to 11:00 a.m. with the Mass immediately following at 11:00 a.m.. A private burial at Biloxi National Cemetery, Biloxi, MS, will be held at a later date.

In lieu of flowers, please consider a donation in Kerry’s memory to: St. Peter

Catholic School, 188 West 7th St., Reserve, LA 70084, (985)536-4296.

“ Our loving condolences to Peggy and family. We were all blessed to have Kerry in our lives. He was a great host and lots of fun to be with. I especially like his smoked brisket and meeting Peg and Kerry in Washington, DC. Peace to you, Peggy, Daniel and Matthew. Your Chicago cousins Mary Rook-Nykrin and Ed Nykrin

“ I am deeply sorry to hear of Kerry's passing. He was a constant positive influence over the years and always so willing to help anyone and everyone. If I or anyone needed assistance, he was there for us. His calling was service to others and he displayed that from the moment I met him until he retired. Thank you Miano family for sharing him with us at NCUA.

“ *Kerry was a great guy! I am so fortunate I got to know him at NCUA. I'm not the most tech savvy person so he was my point man when I had computer issues. He always put others before himself. He was kind, considerate, and friendly. He had a smile that simply made your day better. I am so sorry for your loss. Heaven has another angel. Keith Steier*

“ *I am terribly saddened and heartbroken at the loss of my cousin Kerry. He was a gentle soul - quiet in nature - gentle and nurturing. He was just one of many handsome cousins and I am reminded of a time at a football game in our youth when the girls sitting behind us could talk of nothing but "that good looking Kerry Miano." He had such a wonderful, inviting smile - a welcome look on that handsome face. There was more to him than just good looks though - he was a proud Marine. He will most certainly always be remembered with much love and will be missed terribly. My thoughts and prayers are with his family and all that knew and loved this man. We here on earth may have lost a wonderful man, but heaven gained one - a very handsome one. May God bless him and grant him peace.*

“ Kerry was my person for many years of laughs, great talks about growing up in Louisiana, travel experiences and sharing thoughts about wonderful loved ones. We wanted him to stay working with us. But, we knew home was where he was most needed and he wanted very much to be creating new memories. Thank you Peggy and your family for sharing Kerry with us and for great times with you as well. Always in our hearts.

“ We will miss Kerry very much. He always had a plan for a get together, crawfish boil, fried seafood, Kerry planned most all of our family vacations. We had so many plans for our retirement years. Bless you my brother!

“ Terry was an exemplary individual. He was very knowledgeable and always willing to help you with a computer problem. There was never a problem he could not solve. I always enjoyed hanging out with Terry when the opportunities allowed. I really miss those days when you could just call Terry to solve a problem. Peggy, we will have you and family in our prayers.

“ Kerry helped me with my significant lack of computer skills to stick around almost 40 years. He was always patient and friendly. When Kerry answered the phone, he was enthusiastic. Many people are polite and professional but Kerry added enthusiasm as well. Kerry served many years in the military reserve and was very patriotic. May he rest in peace.

Peggy and family, you are in Nancy's and my thoughts and prayers.

“ So sad to hear about Kerry's passing. Kerry was always willing to give a helping hand (and I needed many of them over the many years he and I worked together). I'm glad he was able to enjoy a few years in retirement. I wish he could have had many, many more. He was most deserving. Peggy, Kathy and I will have you and your family in our prayers.

“ I met Kerry my first day on the job back in 2008 and remember how friendly he was. Every time I saw him and even when I worked along side him I remember he was always friendly and extremely nice. I is and was one of my favorite people at NCUA and will surely be missed. Condolences to Peggy, all of his family. It is difficult to find good people like him. Until we meet again my friend.

“ Kerry always went the extra mile to help me out when I called OCIO or met him at an event. His southern charm and easy laugh made every conversation enjoyable. I wish you all peace and will remember him fondly.

“ I am so sorry to hear about Kerry. I loved hearing his voice when I called the help desk and really enjoyed visiting with him while in Alexandria and Atlanta years ago. He was also so upbeat, kind, and helpful. He showed genuine interest in others and was fun to talk to. I am saddened to hear about his passing. This happened way too early. A very sad day. Peggy, I will keep Kerry and all of your family in my prayers.

“ I loved working with Kerry. He was a big help 28 years ago in new examiner training and has always been someone I was able to reach out to. He was always friendly and you could sense he was a very good person.
