“ *Krissy was my cousin and my friend. The 1100 miles between us got in the way so we didnt see each other as much as we would have liked. Krissy was kind hearted and full of emotion. "Dont you make me cry rebecca lynn" she would say because she cried as easily as she would laugh. She loved her family! When she came to michigan to visit, she was always asking the aunts and uncles to share stories and then laugh with that wide eyed facial expression as she would gasp "uncle john" if he was telling the story or "daaaadd" if he was sharing. She had to deal with some many tough times and heartbreak through her life but it never seemed to stop her. She was strong mix of northern girl and southern beauty. I will miss her terribly. And in true Krissy fashion, she left this party without saying goodbye because she hated goodbyes. So krissy, i will see you next trip! All my love to richard and kids, Pat, Scott and family.*
