“ *I am so sorry to hear this about Laquita. I have so many fond memories of going to visit Grandma and Grandpa in Oklahoma. We would play Cowboys and Indians in the pasture and build play houses with old wood. Our" house" always had a dirt floor that we continuously swept. Laquita was the first person that plucked and shaped my eyebrows. I can still remember how much that hurt. My favorite memories of childhood were those spent with Laquita and Sandra.
My condolences to the family. I know you will miss her.

“ *Laquita growing up with you has been a trip! We encountered pot holes, speed bumps, yellow & white lines. Had a few flooded & washed out roads to travel too! All types of road signs hit us smack in the face from stop signs to yield signs, Had a few bridge out signs along with some detour signs. Come to think of it, I think we encountered them all! We became proficient road warriors! It has been a memorable trip! Thank you for the memories! God Bless & God Speed to you & yours!*
