“ *On behalf of the staff of the St. Bernard Parish Library, please accept our deepest sympathy for your loss. Larry was a favorite patron of ours when the library reopened following Hurricane Katrina until he left us to move to Mississippi. Our prayers are with you as you mourn his passing.*

“ *As someone who was a stranger going to college in Lafayette I met the Songy family and they were all very friendly and pleasant, but Larry and I clicked and over the 50+ years we were "best friends". Kenneth Songy and I married and we live in Maryland. Larry came up here to sightsee in Washington, DC and Baltimore and stayed with us. He had such a great time telling us about his all day trips into the cities and just visiting with us. He was a dear soul, would do anything for you and everytime Ken and I would go down to LA to visit we set one day aside for "Larry Time" - just us. I will miss him because of who he was, how much he cared about people, his sweet personality, and that big smile. Be at peace "Lil Larry". You are in our thoughts and prayers.*

“ As his sister, throughout our life, any type of event we did together, he always kept something from it. I would get a ticket stub from a concert we went to in the 80s, in the mail a few months ago. He'd send me a picture of something when we were teenagers, asking me if I remember. He kept everything and randomly would send me one of these items. Larry was loved by a lot. I'll miss him dearly. He would do anything for anyone but had nothing. A great cook, great friend, great brother. No more pain nor more fighting to survive, all at peace.

*We love you, Cindy, Nick, and family*
