“ *Dear Kelly & Rusty, It is very sad to hear about your mother's passing. She had one of the biggest hearts I have ever known! What a treasure to have known her and a beautiful gift to Reserve! My thoughts and prayers are with you and all your family during this difficult time. May she rest in peace! With sympathy, Loretta Vicknair Duguid*

“ I am sitting here reading the paper and crying, could not believe my eyes. Your mom's obit. I did not know your mom was so sick. Kelly and Rusty I am so sorry for your great loss. I wish I would have known so that I could have attended the services. I loved your mom. She was such a good and caring person. She went to just about everyone's funeral. I knew her since I was a little girl. Missing this beautiful lady! Prayers and hugs for you to have the strength to get through this very trying time. Love you!

“ I was so sorry to hear of the passing of your Mom, Kelly and Rusty. Your mom will always be remembered as a very friendly and kind person. Anytime I would meet up with her on errands we would have a little conversation . She always ask how my mom was doing. Her interest and caring about others will be missed.
