“ *Linda and I have been friends after Lori and Tricia were born. We did a lot with each other. I will love her along with David. There will never be a unique pair who always loved each other. My sincere thoughts go to their children. They will miss their parents at an early age. Y'all will get through it with the love and support of one another like most of us do but it's hard. My thoughts and prayers' will be with you my dear children.*

“ *Linda and David was in my wedding to David's brother. I loved her like a sister. Prayers for her children as they face the the days ahead without either parent. Linda now has her wings and would want her children to take comfort in knowing this?*
