“ Uncle Lin....I don't even know where to begin. The family is a MESS without you. I need you to watch over us and guide us through these hard times. There's been SO many tears shed since we got the call saying you were in an accident. 🥹🥹🥹 We thought it was just going to be a broken leg but dang were we wrong! We will all miss you so much! You're forever in our hearts! I love you so much! That'll never change! With ALL my love,
Your Niece Gabrielle

“ House, wow how quickly life changes. Just earlier that evening we all gathered at our house for bike night. We rode and shared lots of stories and you were so excited about your boat and going fishing. We did not know you very long, but you became a dear friend and will truly be missed. Ride on brother and rest in peace. Love Harry and Barbara

“ House, it's way to soon for you to be gone. The world is a little less sweet with you not in it. I'll never forget the times we partied and the times we'd fight about me using another plumber and you having to fix his work. Everyone remembers you as a great guy, with a big heart, that's really telling. I'll never forget the first time I saw you in your "dress" jeans and tshirt!!! Rest on my friend, until we meet again.

“ My lifelong friend has died. I was lucky to be there when the Priest gave him the Last Rights and to pray the Divine Mercy Chaplet for him. He died surrounded by family and friends. His daughter was holding his hand when he died. May my friend rest in peace.

“ Last time I saw you was when you, myself and your other male friend went bar hopping together. Ya wanted me to ride with you on your pride and joy (Harley). But I was too scard to ride! So I followed y'all the whole night in my car from place to place. I had a great time and memory of our last outing together. May you Rest in Peace my friend.

“ It's so crazy how fast life changes. U asked me to get on the bike with u Wed night, and man, I wonder "what if"... maybe u could've been home sooner, or maybe things wouldn't have turned out like this.

You sure knew how to light up the room, even if You weren't in the greatest mood. You will be dearly missed but NEVER forgotten by soooo many. since u have wings now, watch over the ones who You know had ur back no matter what!

"Keep ya head up. Don't sweat the small stuff. Everything will be ok"
Hold them gates open for us!

♥ Till we meet again ♥
