We are very sorry for your loss, Lionel will be missed by many , he was such and easy going man, and he has been in our prayers for a good while. As you know we worked together at UCC/Dow for over 30 yrs. I have many good memories of our times in SPU. I had tremendous respect for Heavy for his talents as an Instrument tech but more importantly as a father and husband. Lionel always spoke with such a sense of pride about his family. We are currently unable to attend the service but be assured that you and your family are in our thoughts and prayers.
