“ *I have just seen the obituary. I didn't know Lisa but had gone to the same school and church years ago. I pray that the Lord Jesus comforts the Briones family as only He can. I am so sorry for your loss.*

“ *Lisa you brought so many laughs to me and I enjoyed those moments with you. You were such a Godsend to us all and we are better for knowing you. Its been an honor and a pleasure to have known you and have you as my cousin. You will be greatly missed by everyone in the famiy. I'll always remember the 8-track collection you used to have those were the best 70's songs ever. Fly Robin Fly is what comes to mind when I think of you. You are, and God has plans for you. Remember me too and ask for me to "come over today, today Hopi"... "you aint heavy, you my cousin" until we merrily meet in heaven.*
