“ *What great memories I have of you, Aunt Mabel! You were a big part of my childhood. It seems mamma and you were always together. I am so glad we were able to spend so much time together. A lot of those times were at the fruit stand where you worked hard to sell the fruits and vegetables you grew. I am also thankful that my mamma brought all 3 of my kids to see you. Therefore they also love and have wonderful memories of their Aunt Mabel. You are missed deeply already. Love you.💜*

“ Aunt Mabel, You were so much more than an Aunt. To my Father Godfrey you were a mother, sister and friend. To my Mother Jean you were a great friend and sister. To me you were the best Aunt. You always had time for me . You always show love ( sometimes tough) When I was a young child I watched as you cared for Papa'. Your caring and loving nature left a huge impression on me. You cared for others your whole life. I love you dearly and will never forget the lessons your life has taught me. I will always remember your kindness. Your loving Niece Elizabeth Vicknair
