“ *My Sister-in-Law came into my life(at age 5) when my Brother(Lonnie) started dating her. He had recently returned from Japanese prison camp where he spent 31/2 years.*

I was born while he was still in the Navy and we first met when I was 5. I fell in love with my brother immediately. He dotted on me with gifts and his spare change. I was jealous of Chris because I thought she was taking my Buddy away from me but I learned to love her as well.

I want to send love and sympathy to the family. Losing a Mother is a great loss and I know her children will miss her greatly. Love and prayers, Aunt Shirley
