“ Judy,

I never met your mother, but I remember what a kind and polite little girl and young lady you were in elementary and junior high school. We were in third grade together at Sixth Ward Elementary School, and there are two things that I remember like yesterday: 1) you made the nicest Mardi Gras float of anyone in class, and 2) you sold more candy than anyone else in our class to raise money for the school.

I know that your mother had to be a really special lady to raise a daughter like you. Your entire family is in my thoughts and prayers at this difficult time.

“ *Judy Melanie and family,
My heart and prayers go out to each of you.
Your mom was a beautiful soul who touched the lives of ever one
who knew her with her beautiful smile and her beautiful heart. She
truly fulfilled her mission and purpose on this earth and is now
enjoying her rewards in Heaven for a life well lived. She touched my
heart with her kindness. I will always remember the beauty she
created on this earth for all of us to enjoy. She will be missed!*

“ As I held my mother hand looking into her beautiful eyes as she was dying, I could feel her hand getting tight. My mother held tight to my hand as she couldn't speak. I could see in her eyes she loves me so much, her first born she would see and the last.

I felt so sad to see my mother dying from this terrible virus, so weak from the pain that plague her. My mother was one of the strongest people I ever knew, even to the end she gave moments of strength.

As I held my mother hand looking into her eyes, I prayed to God the whole time. I asked God if he would heal her, to give us a miracle. I prayed to St Bernadette Soubirous that the water from Lourdes, France may heal her.

I love my mother so much; It was just breaking my heart to see her leaving us for the last time. I know in my heart that God will take my mother into heaven, she will be filled with the promise of His Kingdom. Her pain is no more, her life is forever.
