“ *i will miss you! But I find peace in knowing you are with my Moma. You were her best friend! You were there for her through it ALL! You two, were lifelong cousins and neighbors and best of friends. There were many times throughout the two of ya'lls relationship, I don't know who supported whom the most. Now the two of you are together again...walking on streets of Gold, with walls of Sapphire! You were one hell of an amazing friend to her...and I love you unconditionally because of it! The mixed berry pies I used to bake and bring to you, brought you smiles on your face that I will forever remember after Moma passed and left you feeling so alone. Those pies will always bring me back to the memories of celebration of the relationship you had with Moma. Now, I know you will never be in pain again, you will never be lonely again, and my Moma has her best friend with her. I will miss you but I will alway remember you with the utmost respect and love! With all my love until we meet again! Poney*
