“ *Becky,*

*I was so sorry to learn of your mother's passing. I remember her as a kind and caring mother when I was your third grade teacher at John L. Ory. She loved you dearly and was so proud of you. Whenever I would see her at the grocery store she would give me an update on your life as the years progressed. My prayers are with you and your family.*

“ Becky and family,  
My heart is broken for you. I know how much your mom has meant to you Becky throughout your entire life....from the moment she picked you to the way she cared for your boys and then how much love and care you put forth taking care of her in her later years. I will NEVER forget our Disney trip and how your mom and dad put up with us for a week.....Please know that Jesus has her in HIS hands and she is reunited with your dad....I am always praying for you and your family. Love you so much my sweet friend.
