“ Mary was a beautiful spark of light and love in our River Parish hospital. She witnessed to us, how to work among many personalities, she always had a smile and a kind word and went the extra mile always. She will be missed in this life, but I trust she is well on her way home if not already there to the place planned for her before her birth. May she hear those words, Well done , good and faithful servant. My condolences and my prayers to the family and all those who loved Mary.
