“ Natalie made all the arrangements so we could hijack a D&D game to host Mike's birthday party as a Hitchhiker's Guide to the Galaxy themed role-playing session. He had no idea. His character still has his towel (as a powerful magic item).

I think my last contact with Mike was in World of Warcraft many moons ago. I had invited him into a small guild I was in. Eventually he said his computer wouldn't support the game anymore and I lost touch. Being my cousin, with a lot of distance between us, I missed the connection. Then life happened.

This birthday you described sounds awesome! I'm a big fan of the books, having read the first 4 of the trilogy. They helped shape my geekiness. Mike helped encourage it.
