“ Aunt Coonie and Uncle Marks have always held a special place in my heart. Although too few, I loved our trips to their home. Those visits were always filled with love, laughter and a sense of family. I loved the smell of the food, walking with Uncle Marks in his garden, talking about your cakes and just being there. When you all were with us celebrating Mom and Daddy’s (Aunt Ruby and Uncle Albert) 50th Wedding Anniversary, I remember vividly watching you and Uncle Marks dance together and thought that takes years together to dance with one another like that, knowing one another’s every turn and step, and always felt how much you loved one another. Although our visits were way too few, always know how much we loved you and will miss you. Our prayers are with each and every one of you.

“ I have many fond childhood memory of Mrs. Marks and especially her delicious baked goods she used to make for us when we were young. That was one of the biggest perks of being Julie’s Best Friend ;) Well, other than Julie being the great person she is which is because she was raised by the best. Rest In Peace Mrs. Marks!

My thoughts and prayers are with all of you.

“ My dear grandma...I'm so very thankful to have had you in my life and my children's lives for so long. What an amazing example you always set about hard work, a strong backbone, loving God, bearing your crosses in life and not complaining about it, the importance of family, and most of all, doing all those things with a great sense of humor. You will be deeply missed, but I know we will meet again. I love you ... Kelly

“ Rest in Peace my wonderful mother. Your wisdom has taught several generations about love, hard work and honesty. I could never ask for a better roll model than you or Daddy. I will miss you everyday until we meet again.
