“ *Please accept our heartfelt condolences. In the many years that we have known the Guidrys no family has so enchanted our lives and so much so with Merle. Each encounter brought joy. She was truly one of the greatest. Again, our condolences.*

*Love Mac and Gisela*

“ *Out of all the Guidry aunts and uncles, I was closest to aunt Merle. I have many lovely memories with her and uncle Paul at their home in Lakeview. I offer thanks and blessings to both of them for the role they played in my life.*

“ *Oh, my heart breaks for all of you for your loss of your mom. Such a beautiful lady who will be missed by all who knew her. I have so many wonderful memories of your mom, and enjoyed visiting her, Cathy and Ceci when they would come here for All Saints Day. Sending prayers that God gives you all strength during this sad time.*

“ *Cathy, Paul, Michael, Tim, Cessi, Jacques and Peter it seems like just yesterday I was meeting and playing with you in Mexico and then in Paris. I loved being with your family as did my grandparents. Celeste always said Paul was a little devil and Merle was his angel. You are certainly from a great set of parents. I'll always cherish those memories and hope that you've had good lives!*
