“ *Connie, I am so sorry to hear about the passing of your Mom. She was such a sweet and welcoming lady who never forgot me, and always stopped to tell me hello if she saw me out and about. I know all of you are grieving now, but I hope it helps to know that she was loved by so many people. The memories of her that you share will always keep her alive in your hearts. May it bring you peace knowing that she has been reunited with the ones that have gone before her. She has seen the face of God, and is in paradise. Oh, how sweet and beautiful that must be. May God wrap his arms around you during this difficult time, and comfort you.*
