“ *Niki gave her light and spirit to everyone since she was a small child. She shared her Faith in God's Mercy with others even when hers should have been drained. She prayed for others and helped carry their pain even when hers was overwhelming. Roger - I thank God for his wisdom in sending you as a devoted, loving, supportive husband to her. Through every doubt, adversity and health challenge, all you needed was her smile, see her growing love for you and your Faith in God to march on through the fire. And you always did, to protect her from the flames and pain. Roger - you are a true unyielding man every man should hope to be when their wife is in need of the support and comfort someone as sick as Niki was all her life. I you did it with no regrets. I thank you for that. I admire you and love you. Your children are remarkable - Katelyn you have been your Mom's nurse and Champion. Chase you were always her Teddy Bear with the heart of a Lion - Both of you gave up most of your childhood to be always keeping a watchful eye so your Dad could rest a minute. I'm sorry for the loss of your wife and mother - my niece but the fact that she is in heaven with her mother, NannymawTrudy and Maw Maw Pookee - all DANCING, GIGGLING and COOKING...comforts me. We Love you Roger, Chase and Katelyn - always - Aunt Maggie, Uncle Mike and Da Boys*
