“ *Patricia, I am sorry you had to go; I know you hung on for your daughters and loved ones. I have always loved and admired you from the day we were introduced. I will miss our telephone calls and little notes on the computer. You are loved by so many people, but that does not surprise me. I am so happy you were a part of my life and that you were my late daughter's Godmother. It was a blessing and pure joy to know you. You will forever be missed in my heart and mind. I know, you are already in Heaven!!!*
