“ Words of sympathy feel inadequate for expressing my sorrow for the loss of such a good friend. I am truly blessed to have known and worked with Pat for over 20 years. Not only was Pat a good friend, but he was an excellent coworker to myself and everyone else that had the opportunity to know and work with him. We shared so many memorable experiences and I can still hear him greeting me with "How the hell are ya" when I went to visit with him in the control room. I truly miss you my friend!

Kay, I pray the Lord's blessings will always be with you and give you comfort and peace!

“ As I remember Pat so many things come to mind. Like how you would learn something just by having a conversation with him or how his whole body would shake when he laughed with that contagious smile.

Truly a loss

“ Pat, you were a dedicated worker and a great friend, always easy to hold a great conversation with. So sad to see you go. I will always remember how I knew you had arrived in the control room as you passed by Chuck Adams office and yelled out "Feed the head!" I hope you have the eternal peace like you deserve.

“ *I will always remember Pat as a deep thinker and and dry humor. One of those guys that you can have an intellectual conversation with. He will be missed and he will be remembered for years. He was my friend.*

“ Pat was an excellent operator & will be missed greatly. He was an independent and strong minded guy in every aspect of this job. Whenever there were difference of opinions HE was correct most of the time (he knew the rules better than most). At times you could find Pat outside doing a project alone but when asked if you could help he would say "no I'm good" even with further attempts to help. He was very prideful in his projects and beamed when praised for them. I had the chance to see Pat's home once and while there he was in his element glowing with each co-worker as they visited (Kay said he was a social butterfly). I will always miss you Pat!

“ I worked with Pat for the past 20 plus years and you could not have asked for a better co-worker and friend. Pat always had good advice to give whenever you needed some. He was always selfless and put others first. He will be truly missed by all who have known him.

“ My most deep and sincere condolences to his family and friends. For the past 20 plus years we worked side by side and on different shifts in the same complex for all these years and he was an arrow as strait they come. Pat was reliable and an excellent worker doing the best he could for our company. On the personal level we shared so many conversations where I learned a lot from his all around knowledge. We all will miss this great guy!

“ Pat and I worked together at Acadian Ambulance Service and again at the refinery.

You are one of the best partners I ever had. We had so much fun, laughed together, and just genuinely mischievous in general.

I will always miss you my brother. Love you Pat! 😞
