

Paul Vincent Millet, Sr.

July 16, 1948 - September 21, 2023

On Thursday, September 21, 2023 Paul Vincent Millet, Sr. a native of New Orleans and a resident of Laplace passed away. He was born on July 16, 1948 to Honald and Mary Millet. He was preceded in death by his parents and his sister Brenda. He is survived by his sister Diane Millet Salomon.

Paul is survived by his wife of almost 40 years Cheryl Dominick, and their children, Paul Jr. (Alane), Christopher (Meghan), Christine (David), Allen (Erica), and Cory (Leah). He leaves to cherish his memory 11 grandchildren, 2 great grandchildren and a host of cousins, nieces, nephews, relatives and friends.

Paul and Cheryl started Saint Optical in 1987 to serve the eye care needs of the community of LaPlace. He was a pioneer of cable television advertising with the Pigskin Report, showcasing Saint Optical a business that continues to thrive today.

Paul was a true New Orleanian who loved cooking and entertaining, often preparing special meals for others in their homes and at private events across the country. He was an avid golfer and a former member of Belle Terre and Riverlands Country Clubs. He played in and won many tournaments throughout the years. One of his many sayings was "I cut my teeth at City Park golf course".

The family would like to express their appreciation to Rachel, Penny and Myra, who took such special care of Paul, and to Lily and Anna Marie of Notre Dame Hospice, who went above and beyond all expectations.

“ *I'll always remember that he introduced me to soft shell crabs. He prepared some as he loved to cook. I had never eaten them. To this day I eat them every chance I get and always think of him. RIP brother in law.*

“ A CAT is said to have nine lives and how blessed was our family to have such a special one in ours...Through those many years, Paul survived .several turn arounds which were given a very thin hope for recovery...STILL he did with determination...a unique person, willing to show the world that it could be done with GOD at the helm. He applied this throughout his life. Today we say "thank you Paul" for all that you have given to our family through the power of determination....may PEACE BE WITH YOU...

“ I've sat here contemplating on what to say. I know the time that I was your wife we had many problems with one another. The most important thing that we had together was our sons Paul, Chris, and Allen and from those fine young men that we shared together we were given 7 outstanding grandchildren, and 2 beautiful great grandsons. I'm grateful for that. Somewhere you are either on a boat fishing or playing a round of golf maybe with your Dad. Rest easy because you deserve it. In loving memory Yvonne

“ I worked for Paul at Saint Optical for many years and I have to say it was one of the best jobs I had. Not only was he my boss, he was my friend. He always treated me like I was family. My favorite memories of Paul are of him in his kitchen cooking and spending the Sunday before Mardi Gras at his house for the Laplace parade. Now I imagine him up in heaven having the best golf game ever!! Paul, you will be missed. Sari and Larry Labatut

“ Paul and Cheryl would come visit us in California. I'll never forget the time that they visited us and them cooking their signature gumbo at our house here in San Clemente. Paul was the ultimate chef and Cheryl was always by their side, cooking and cutting and prepping for his wonderful concoctions of food. I'll never forget the time he came over here and fell into my cactus tree and we laughed hysterically after a few libations and fun times together. I also will never forget all the good times and hospitality that they provided both my wife and myself in New Orleans showing us around town and having such a great time at such event such as the quarter Festival. God bless you, Paul we will miss you Paul but you're in our hearts and prayers forever. Kim Denise Ware

Cheryl and extended family, May you feel the arms of Jesus embrace you as you grieve the loss of Paul. He was one of Gods special souls always smiling and loving on people. I had the privilege of taking care of him when he was sick, and he always had such a good spirit. We send prayers and love to all.

“ We lived in LaPlace for along time but it wasn't until we moved to Fairway we finally met the Millets. We were invited over for Monday Night Football and after that we became fast friends. We spent many an evening and into the night in that hot tub! There we saw the space shuttle, the comet, eclipses and lots of other things. Those were the days! We love you and will miss you Paul❤️ While you're looking down on all of us, see if you can get some divine intervention for our Saints

Love to all the family
