“ *My thoughts and prayers go out to all of Peggy's family and friends. I was blessed to know Peggy a short while during a period in the 80's when I worked at the LA Department of Revenue and Taxation. Though I worked in the Baton Rouge office, she made an impression on me through our personnel/payroll communications. We were fortunate to have such a caring, dedicated, cooperative team member in our midst. May she rest in peace.*

“ *We are praying for all of you as you walk this most difficult journey. Know that Peggy will be missed by all of us whose lives she touched. The world is definitely a better place for her having lived among us. She now rests in the peace of the Lord. We all pray that you and all the family take comfort in this. Truly a life well lived. I was proud to call her "friend ".*

“ My mentor, my cousin, my best friend but even more like a sister...there are not enough words to describe or eulogize Peggy. She was a devoted and loving family member and made friends feel as though they were part of that family too. She had an adventurous spirit and didn't let anything hold her back from what she wanted to achieve. She was a conscientious, hard working individual that focused on the work at hand and did what was needed to accomplish the goal. I always looked up to her, admired her but more than anything else, I loved her with my whole heart. She was everything I aspired to be and a great role model. I love you Peggy and miss you so much!!

“ We will forever remember Peggy's beautiful smile, she was smart, funny, a hard worker and a wonderful care taker to her mother. She earned her place in heaven and there is no doubt that our Peggy is in her eternal home. My thoughts and prayers are with the entire family. She will be forever in our hearts !!

*Our hearts go out to the family. Peggy will be missed by so many people like my momma who lived next door. She was so good and kind to her neighbors and the people in her community. Taking out trash cans and mowing yards, helping out whenever she could, what an example of God's child. She had such a good soul. I know this time is painful for very one but I once heard this and it bring me comfort at times...."Dying is not the punishment, but our REWARD". I know Peggy is feeling no pain now and is enjoying her reward for being one of God's devout souls. Hugs and love from Tennessee. Karen & Greg Taylor*
