“ *Wow goodbye our friend. Pickle and I met when I was maybe 12. I met him through my brother helping paint our house. He loved my mom's beans. He would go fishing with my day. He became my best friend. He was my brother. I will always cherish the memories with both him and Tina. Until we meet again dance with the angels friend*

“ We will forever treasure the special times over several years at the Mineloa hunting club in Mississippi! Pickle loved hunting and always had his freezer stocked! He was so giving, never hesitating to share. He loved cutting up with everyone after the hunt and pitching in to cook. He was the best of friends in good times and bad! He was truly a good man, one of a kind! He will be so missed! RIP Pick!... Joey and Linda Boe
